

Stay Focused on Mission 2022

Hi! I'm **Faysal Ahmed**. I've been trying to learn programming for 2 years, at this time looking back in my past, I can't find any other chapter except coding. I love programming and learn everyday. A Passionate Tech Enthusiast Who Constantly Seek Knowledge. I love to build amazing web products! That's why when I finish a project at the right time, I feel full of peace, joy and smile.

Jr. Web Developer with lots of courage to take challenges. Mostly, I do front-end development but my ultimate goal is to become a full-stack web developer in 2022.

My Mission in 2022

Mission

To enhancing my skills of coding to deliver market-defining high-quality Design and Development.

Vision

To become prime performer, in providing quality Web solutions in competitive global marketplace.

Life Goals

After achieve my mission, I wanna walk the path of tech business, entrepreneurship and startups!

Develop Without Limits

An aspiring Front-end Developer. I lost myself when I dive into the codes. No project is too big or too small for me. Recently I have completed basic HTML and CSS course with Programming Hero. Resourceful Web Developer lends hands-on approach to customizing web presence strategy. More than 2 years of experience working closely with Web Development to outline organizational needs and translate them into extensive lines of code that support objectives. Adept creation of scripts using HTML, CSS and JavaScript to convey unique branding and promote sales and marketing opportunities. Specialty supporting intricate backend needs and lending assistance throughout webpage lifecycle.
